“Dining with the Stars” Preview Luncheon
by
Restaurant Savelberg Thailand

As one of Thailand’s most respected International Chefs, Chef Henk has led a long and illustrious career as the only Chef to have attained four Michelin Stars for his four restaurants in his native Netherlands. As one of the founders of Les Patrons Cuisiniers, a highly exclusive Dutch organisation comprising only 23 top chef-owners, who have proved themselves with culinary creativity, consistent quality and professional skills, Chef Henk has invited six Michelin-starred chefs of Les Patrons Cuisiniers to gather in Bangkok for a dining experience like no other. Under the concept “Dining with the Stars”, the dining event will take place on Tuesday 25th October 2016. With one 3* Chef, two 2* Chefs and three 1* Chefs, holding 10 Michelin Stars between them, each Chef will create their signature dishes and amuses for the occasion.

Chef Henk Savelberg and Restaurant Savelberg Thailand cordially invite you to attend a preview of the dinner, where you will discover the passion and talent of some of The Netherland’s top culinary masters.
